

INDEPENDENCE OF PHILIPPINES IS DISCUSSED

Old Ghost Brought Out and Dusted Off By Democrats

(By The Associated Press)
WASHINGTON, March 17.—Request in the house today for authority to have 100,000 copies of the report of the Wood-Forbes Philippine Islands mission printed for general distribution caused a spirited debate during which Representative Garrett, Tennessee leader, declared the administration was avowedly opposed to granting the islands their independence and Representative Dwyer, Republican, Missouri, charged that the war department was doing its utmost to keep the Philippines under American rule. In the end the house adopted a resolution offered by Chairman Kiess, of the printing committee authorizing the printing of the report as a public document. Representative Dwyer demanded that the house insular affairs committee conduct a searching inquiry to determine whether the Philippines should be given their freedom. He thought congress in deciding the question should have something more than the findings in the Wood-Forbes report to go on.

Uncle Joe Speaks Out
"Uncle Joe" Cannon, who rarely takes part in house debate interrupted to remark that congress had "the power to grant the islands independence today if it wanted to."

Swinging his arm vigorously to emphasize his arguments, the former speaker declared that unless members of congress knew more about conditions in the Philippines than he did they could profitably study the Wood-Forbes findings.

Mr. Garrett asserted that General Wood went to the islands "to oppose independence," and that former Governor-General Forbes returned to assist him in investigating conditions for a similar purpose.

The president is opposed to granting the Philippines their independence, he added.
"Can't it be proved by the Wood-Forbes report that the Philippines are ready for their independence," interjected Representative King, Republican of Illinois.

"That can be proved independent of the report," said Mr. Garrett.

HAD CONFERENCE ON RATE SITUATION HERE

Local Men and Traction Co. Officials Confer in Springfield About Gas and Electric Rates.

W. E. Sullivan and John W. Merriam as representative of the Chamber of Commerce accompanied E. H. Gray of the Jacksonville Railway & Light Co., to Springfield yesterday. The purpose of the trip was to have a conference with H. E. Chubbuck, general executive of the Illinois Traction Co., with reference to the local situation. The Jacksonville men met with Mr. Chubbuck and other officials of the system after their arrival on the noon train from Peoria.

For two hours they talked over the whole situation and Mr. Chubbuck spoke in a most friendly way of the company's hope to make prices here that will be accounted fair and are satisfactory to the people. He made clear some of the difficulties that attend the operation of a business of such wide extent. He referred to the difference in operating conditions and in the consumption of products in the different localities.

When the conference ended it was the understanding that Mr. Chubbuck will confer with Mr. Gray and consider all the data in the case and before another week has passed will be in a position to state definitely just what can be done with reference to readjustment of the local rates.

C. B. & Q. FILES BIG MORTGAGE.

Only two instruments were filed in the office of the recorder yesterday. However, one of them will keep the office force busy for some time to come. It is a printed copy of a mortgage given by the Chicago, Burlington & Quincy Railroad to the First National Bank of New York. The document covers 167 printed pages and the mortgage is to secure a loan of \$30,000,000.

It is recited among other facts that the Burlington owns 8998.5 miles of track, nearly half of which is in branch lines. Some other holdings mentioned are 28, 071 box cars, 254 refrigerator cars, 6551 stock cars, 26,395 coal cars, 655 passenger cars, 254 baggage cars and 44 dining cars. The filing fee was \$92.

ANTHRACITE COAL CONFERENCE IS ON IN NEW YORK CITY

Begin Deliberations to Avert General Coal Strike

(By The Associated Press)
NEW YORK, March 17.—The anthracite coal miners' and workers' committee of eight tonight began to organize for a long series of deliberations in an effort to avert a general strike by amicable settlement of their wage disagreements.

President John L. Lewis, and Samuel D. Warriner, chairman of the operators policies committee both members of the committee of eight, were optimistic but they expressed doubt that a new wage scale could be drawn in time to prevent suspension of mining operations in the hard coal field on April 1.

The whole mining industry, from the digging of the coal in the colliers, to the shipment, distribution and sale to the consuming public will be taken into consideration in negotiating the new contract it was said.

"The miners expressed a determination to get down to the bottom of costs and profits," the owners were equally emphatic in asserting that every angle of the industry should be gone into.

"Despite the great divergence of views with which we begin negotiations, I believe the committee intends honestly to try to work out a solution of the problem in the anthracite mines," was the statement of Mr. Lewis.

WESTMINSTER MEN MET FRIDAY NIGHT

Brotherhood of Church Had Supper and Listened to Address on Muscle Shoals By William Russell.

A meeting of the Brotherhood of Westminster church was held Friday evening. After the service of an excellent supper the members of the Brotherhood had the pleasure of listening to an address on Muscle Shoals by William Russell, who has recently returned from that locality.

Mr. Russell for quite an extended period was instructor at the normal school located at Florence, Ala., which is less than four miles distant from Muscle Shoals. He frequently had occasion to take groups of young men to Muscle Shoals to explain the construction work and the project to them. So it came about that the former Morcan county young man had both the reason and the opportunity for familiarizing himself with the general facts and many of the details of this great engineering proposition.

Mr. Russell's estimate is that from 50 to 60 per cent of the work has been done necessary for the completion of the Muscle Shoals improvement. He said that the people resident in that locality are hoping that Mr. Ford's proposal is accepted, because they believe that it would mean a speedy development of the proposition and a matter of large benefit to all the territory thereabouts.

The speaker explained that the Alabama Power Co., the American Fertilizer Corporation and other interests are opposing the Ford proposal. It was stated that when the turbines had been installed and are in operation, they will produce about 520,000 kilowatts of electric power. Part of the product will be nitrates for fertilizer purposes and ammonia sulphate for explosives. It is said that Mr. Ford's plan counts upon a profit not upon the products of the plant itself but upon the sale of the electricity generated. His expectation is a self electric current not only in the immediate area of Muscle Shoals but thruout a wide territory.

Mr. Russell gave the opportunity for asking questions and in this way the interest in the discussion was greatly increased. About thirty men were present. An excellent supper was served by committee including Mr. and Mrs. Ben Allen, Mr. and Mrs. Walter Rabjohns.

Dr. Thomas Smith gave the invocation and took part in the discussion of the Muscle Shoals project.

HOUSE LEADERS DIFFER ON THE SIZE OF ARMY

Membership Seems to Be Divided Into Three Groups

(By The Associated Press)
WASHINGTON, March 17.—A difference of opinion was voiced by Republican house leaders today over the size of the army during consideration of the army appropriation bill. No soon after Chairman Kahn of the Military affairs committee expressed opposition to a reduction in enlisted or officer strength than Republican leader Mondell declared he approved action of the sub-committee which framed the bill in providing that by July 1, the enlisted personnel of the regular army must be cut to 115,000 men and the number of officers decreased to 11,000.

General debate was concluded and indications were that the house would reach a vote tomorrow or Monday on sections relating to the size of the army.

With party lines disregarded to a certain extent the house membership appeared to be divided into three groups—one determined to stand by the committee recommendations, another preparing to demand an army of 100,000 men, while the third was lining up in support of the war department which requested a pay allowance sufficient to maintain 150,000 men and 13,000 officers during the coming fiscal year.

Republican members were said to be reported in all three camps while most democrats were expected by their leaders to join the small army forces. Representative Sisson, Mississippi, a democrat in charge of the bill having announced he would offer an amendment to reduce the number of enlisted men to 100,000.

Mr. Kahn took the position it would be false economy to order too drastic a cut in the army's size. He reminded his colleagues that Republicans and Democrats alike during the early stages of the war had stood behind a democratic president in an attempt to build up an efficient fighting machine.

The splendid example set then he added should be a lesson to the appropriations committee, which, he contended, in reporting the army appropriation bill had disregarded the expressed wishes of the administration relative to enlisted and officer personnel.

The Californian read a letter from Secretary Hughes in which objections was voiced to withdrawal of all regular army troops stationed in China as proposed in the bill.

LLOYD W. REYNOLDS WEDS DECATUR GIRL

Son of Mr. and Mrs. J. G. Reynolds Weds Miss Elizabeth Dills at Detroit, Mich.—Will Reside in Decatur.

Announcement has been received here of the marriage of Lloyd W. Reynolds, son of Mr. and Mrs. J. G. Reynolds, of this city, to Miss Elizabeth Dills of Decatur. The ceremony was performed at the First Methodist church at Detroit, Mich., on Tuesday, March 14. Rev. Mr. Pritchard officiated.

The young people were attended by Mr. and Mrs. Tracy Alexander of Detroit, who are long time friends of the groom.

Mrs. Reynolds, as indicated is a resident of Decatur. She has a number of friends in this city, where she has been a visitor at intervals in the past.

Mr. Reynolds for a number of years held the position of general superintendent of the Walrus Manufacturing Co., of Decatur, and is also interested in the Walrus Wholesale Furniture Co., of this city. His many local friends unite in extending best wishes.

Mr. and Mrs. Reynolds will make their home in Decatur, and will be at home to their friends there following a wedding trip of several weeks.

MRS. CARSON FILES SUIT FOR DIVORCE.

A suit for divorce was filed Friday in the office of Circuit Clerk Wamamaker by Mrs. Ruth Carson, who is seeking separation from her husband, Fremont Carson. Cruelty was charged, and the complainant also alleged that her husband interfered with her work as a nurse in the tuberculosis sanatorium in Springfield. An injunction was asked to prevent the interference charge.

Mr. and Mrs. Carson who have three children, were married December 18, 1911, and lived together until March 12 of the present year. William N. Haigrove is the complainant's attorney.

Parsons, Kans., March 17.—City Commissioners are seeking an explanation for Here, the statue on the city hall lawn. In the past two months the bronze goddess has turned more than ten degrees. Formerly it faced the south, now she is facing east. The statue is on a marble base which has not altered its position.

BRIEFS

(By The Associated Press)
KARACHI, British India, March 17.—The Prince of Wales concluded his tour of India today and sailed for Japan.

PHILADELPHIA, March 17.—Dr. Thaddeus L. Bolton, professor of psychology at Temple University, today made public an episode coincident in many respects to the occurrences of Antigonish, said to have been inspired by a ghost, "incarnate" in Mary Ellen MacDonald, which he investigated near Missoula, Mont., nine years ago, proved a fraud.

OMAHA, Neb., March 17.—Terry O'Mallary, Omaha boxer, died tonight shortly after being knocked out by Hay Carter in a preliminary to the Logan-Padgett fight. Doctors examining O'Mallary declared that a blow on the neck had cut off his wind.

KALAMAZOO, Mich., March 17.—A stranger who traded his horse for Isaac Drake's phonograph here recently, outdid David Harum. When Drake sought possession of his new steed, he found it dead. He appealed to authorities today to locate the stranger, whom he charges with fraud.

LONDON, March 17.—Reports that Sir Herbert Samuel will retire shortly as British high commissioner for Palestine, are printed by the Pall Mall Gazette and Globe.

TALLAHASSEE, Fla., March 17.—Miss Emma E. Boyd, a teacher at the Florida State College for Women, died of suffocation today when the side of an excavation into an Indian mound gave way and buried her. She and other young women had engaged workmen to excavate for historic relics and were observing the work when the slide occurred. She was a native of Iowa.

GOVERNOR SMALL SCORES BRUNDAGE

(By The Associated Press)

PARIS, Ill., March 17.—Governor Small, in his address before a small meeting today, devoted more of his time to broadside against Attorney General Brundage and "the great profiteering monied interests," than to outlining the future plans of the administration on the construction of roads.

"It was my promise during the campaign," Governor Small said, in referring to the road question, "and I have persistently adhered to that resolution ever since that I would see to it that roads were built fairly and impartially thruout the state and that I would endeavor to see to it that the people received a dollar's worth of road for every dollar of their money spent."

"If you believe in my program I want you to manifest your approval of what I have done and what I am attempting to do, by sending to the legislature men who will serve notice upon the great profiteering monied interests that the governor of this state is not to be bullied but that the people of Illinois stand behind him with all of the sovereign power at their command."

Senator Richard Meents of Iroquois county and State Representative William P. Haladay, who is seeking nomination for congress to succeed "Uncle Joe" Cannon also made short speeches.

"Attorney General Brundage and his whole gang of character assassins know that I am innocent of every charge which they have made," Governor Small told his audience. "I want to say to you that both times I have held the office of state treasurer, I conducted it to the law and to the best of my ability. The state never lost a dollar during my term of office. Every dollar was returned in full to the state and in addition \$450,010."

MANUFACTURERS ARE INDICTED

NEW YORK, March 17.—The American Window Glass company of Pittsburgh, the Johnson Brothers glass company, a Pennsylvania corporation; more than one hundred window glass manufacturers and heads of three labor unions in the industry were indicted by the federal grand jury today for violation of the Sherman anti-trust law.

The indictment takes the place of one filed November 28, in which the Johnson Brothers glass company was named the principal defendant but which was recently quashed by the federal court for lack of jurisdiction. It neglected to charge commission of an overt act in the southern district of New York and to rectify this defect.

United States Attorney Hayward conducted a new investigation on a wider scale.

SCHOOL TEACHERS SALARIES SHOW LARGE INCREASE

In Some Cases 100 Per Cent Over That of Five Years Ago

(By The Associated Press)
CHICAGO, March 17.—School teachers in the North Central association are receiving increased pay in some cases 100 percent above what they received five years ago, according to a report read by C. O. Davis, secretary of the commission on secondary schools at today's meeting of the N. C. A.

This report was based on a study of the salaries of 26,000 teachers. Five years ago the report continued teachers were paid on an average of from \$900 to \$1,100 a year whereas today well salaries average from \$1,300 to \$1,500 a year.

Further studies show that of 10,681 women members of the association only 5.9 percent are married while of 5,203 men members, 62 percent are married.

More teachers, the report declared were recruited from rural districts than from city schools. The association today accredited high and secondary schools for 1922.

FARM BUREAU DETAILS UNDER DISCUSSION

Community Meetings Will Be Held to Bring Out Lines of Work Bureau Members Would Like to See Done.

V. Vaniman, assistant state leader of farm advisers, was the principal speaker at the farm bureau school of instruction held in Jacksonville yesterday. Nearly sixty township chairman and their assistants, together with others who are active in the farm bureau work, constituted the audience.

Charles H. Gibbs, who is chairman of the program of work committees, presided at the session. At the morning hour, Mayor E. E. Crabtree gave a short address of welcome. Then the chairman presented Mr. Vaniman, who opened the discussion of a number of questions relating to farm bureau work.

At noon time adjournment was taken to Grace church, where a splendid dinner was served. Afterward the conference was resumed at the farm bureau headquarters in the Rabjohns & Reid building.

As a result of the conference it was agreed that community meetings will be held simultaneously, Tuesday, March 28, at 7:30 p. m., all thru the country. At that time it is the plan thru blanks which have been distributed to secure answers to the question, "What Line of Activity Would You Like Best for Your Farm Bureau?"

It is expected that at these community meetings that there will be a general discussion of this question and that signed reports will be filed. It is the wish of the managers of the organizations to provide the members of the farm bureau with the service which is most desired and which will prove the most beneficial.

It inevitably happens with such a large organization that as time passes there come some complaints and it is to be expected that everybody will be satisfied with the work of the bureau all the time.

It is the expectation that thru the community conferences which have been called that practical steps will be taken to secure definite lines of information as to what line of activities the members prefer.

Aside from this feature, there is a great deal of value in these community meetings, and the farm bureau officials have this fact in mind in arranging the program that they have outlined.

CANADIAN CABINET HAS RESIGNED

(By The Associated Press)

WINNIPEG, March 17.—Premier T. C. Norris tendered the resignation of his cabinet to the Lieutenant Governor this afternoon. After Mr. Norris has conferred with Sir James Atkins, it was announced his resignation was under consideration.

It is understood that Sir James will call upon the leaders of the other legislative groups for their opinions before deciding definitely on the course of action to be taken.

I. C. STUDENTS AID ENDOWMENT FUND

Fine enthusiasm was shown by students of Illinois college at the chapel exercises Friday morning, when in a few minutes' time pledges were made to the college endowment fund amounting to \$3,725. These pledges are in addition to still larger pledges made at an earlier time.

The generous way in which the students entered into the spirit of the occasion afforded abundant proof of their genuine interest in all Illinois. The trustees of the college have a definite endowment goal to reach by commencement day in order to make certain one large contingent pledge. The alumni and friends of the college are co-operating in the final months of this endowment campaign and the students are certainly vying with them in both enthusiasm and generosity.

FREAR SCORES OFFICIALS FOR STAND ON BONUS

Takes Mellon and Crissinger to Task in House

(By The Associated Press)
WASHINGTON, March 17.—An attack on Secretary Mellon and Comptroller of Currency Crissinger in connection with their stand on the soldiers' bonus bill was made today in the house by Representative Frear of Wisconsin, a Republican member of the ways and means committee and leading opponent of the sales tax.

Mr. Frear said Secretary Mellon had written a letter condemning the compromise bonus bill without being asked by any member of the committee for his opinion and had made his letter of condemnation public before it was received by the committee. He declared Mr. Crissinger did not know what the bill contained when he announced to the press that he would advise national banks not to loan money on the adjusted service clause.

"It is a novel proposition when Crissinger says that he will not permit national banks to loan to the soldiers on the certificate, 'If the bill is passed by congress,' said Mr. Frear. 'Is Crissinger or congress to determine what the bill contains? Crissinger claims that when the soldiers ask for loans they will find they have frozen credits.'

"The freezing process is that which comes from officials of the treasury department who have handed out many letters to congress and to the soldiers. Frequent threats are reported that campaign contributions will not be forthcoming unless a sales tax is passed as a substitute for the present personal income tax. Again, it is said the price of general soldiers bonus bill must be a general consumption tax to relieve large tax payers."

As an evidence of frigidity why did the treasury department first demand that obnoxious taxes be placed in the bonus bill which were later informed would have invited its veto?

"Why did the department object to paying any soldiers' bonus from treasury certificates when it had previously paid billions of dollars in cancelled war contracts? Why did the department reject any proposal to pay the soldiers' bonus bill by \$11,000,000,000 in foreign debts. Why are the soldiers asked to help pay their own bonus thru a sales tax and what special reason has Wall street and big business in generally for demanding a general sales tax?"

Mr. Frear declared that a table which he read showing the income and surtaxes paid by the wealthy individuals explains why every man who pays a large income tax desires a sales tax that will relieve him from his income taxes.

GREEN NECKTIES CAUSE HILARITY

(By The Associated Press)

WASHINGTON, March 17.—Green neckties worn by several representatives precipitated so much St. Patrick's day hilarity in the house today that business was suspended temporarily. Representatives Kearns, Ohio and Ramsey, Iowa, strolled down the center aisle, arm in arm, both of their cravats of the most verdant hue. They became the target of so much bantering by members who had the floor could not make themselves heard.

Acting Speaker Walsh finally obtained order with the admonition that celebrations of today can be held better outside the chamber.

WORKMEN PLACE HYDRANT UNDER DIFFICULTIES.

Workmen engaged in placing a hydrant at the corner of East State and East streets had a difficult time yesterday. When the East State main was tapped one of the valves proved defective and as a result the trench which had been dug was filled with water. It was necessary to secure a portable pump and hose and to keep this apparatus constantly at work in order to prevent flooding of the trench. Notwithstanding the use of the pump, it was necessary to shut off the water about the point where the connection was being made, and a number of the business houses on East State street were out of water for a time.

PERMANENT TARIFF BILL MAY BE READY WITHIN NEXT WEEK

Senator McCumber, Chairman of Senate Finance Committee Says

(By The Associated Press)
WASHINGTON, March 17.—Chairman McCumber of the senate finance committee said today it was the hope to have the permanent tariff bill ready for the senate within a week or ten days. In the hope of speeding up the work of rewriting the house measure the committee majority adopted a resolution today against the hearing of any further witnesses senators who might wish to present views on rates.

Aside from the question of valuation three important remain before the committee Republicans. They are whether there shall be an embargo upon the importation of dyes and the wool and sugar schedules. There were further hearings today on the dye embargo question.

Four members were said to be opposed to an embargo and three in favor of it with three others doubtful.

The woolen schedule was to be taken up tomorrow, Senator Smoot of Utah, the ranking Republican, having been asked to prepare the schedule tonight. The committee has agreed tentatively to the rate of 33 cents ad valorem.

ANNUAL JOINT DEBATE NEXT MONDAY

Phi and Sigma of Illinois College Will Discuss Closed Shop Question.

In the annual debate between the Phi Alpha and Sigma Pi Literary societies of Illinois College, to be held Monday, March 20th, the Sigma claim to have a fine chance of victory. Past records of this event show a pre-dominance of winnings by the Phi Alpha society, and especially in the later years have the Phi shown superiority by gaining six successive victories, but the Sigma, by no means dispirited by past accounts, and placing their trust in a veteran team, are confident of wresting this year's victory.

The debate will be held in the Illinois College chapel, and will begin at eight o'clock. The question for discussion is "Resolved, That the Principle of the Closed Shop in Industry is Justified." Sigma Pi will uphold the affirmative, with a team composed of Byron O. Cully, '22, Clarence Weber, '23, and Bernard J. Fraser, '23, with William Roberts, '24, as alternate. The negative of the question will be maintained by Phi Alpha, whose team consists of Ray Grady, '24, John Butcher, '24, and Richmond Thomason, '24.

The events will include 20 yard dash, 20 yard hurdles, running high jump, standing high jump, standing broad jump, 12 pound shot put, throwing the medicine ball, wheel barrow race, obstacle race, potato relay race and rope climbing. All the events will take place in the college gymnasium and the contests will be open to the public with a nominal charge. The money thus realized will be used to buy pictures of the college teams which will be hung in the college gymnasium.

INDOOR ATHLETIC MEET AT ILLINOIS

An indoor track meet is being planned by the athletic division of Illinois College. It is expected that the meet will take place the last of this month. The various classes will compete for the honors. Each class will be allowed three contestants for each event and it is expected that there will be about twelve events.

The events will include 20 yard dash, 20 yard hurdles, running high jump, standing high jump, standing broad jump, 12 pound shot put, throwing the medicine ball, wheel barrow race, obstacle race, potato relay race and rope climbing. All the events will take place in the college gymnasium and the contests will be open to the public with a nominal charge. The money thus realized will be used to buy pictures of the college teams which will be hung in the college gymnasium.

PACIFIC TREATY AGAIN ATTACKED IN U. S. SENATE

Treaty's Friends Argue Among Selves for An Hour

(By The Associated Press)
WASHINGTON, March 17.—Another sustained assault was thrown against the four power Pacific treaty by the senate irreconcilables today after the treaty's friends argued among themselves for an hour as to whether the pact properly might be called an "alliance."

The fight against ratification was carried forward in turn by Senators France, Republican of Maryland; Johnson, Republican, California and Watson, Democrat of Georgia in speeches which occupied the senate most of the afternoon.

Senator Johnson compared the pact with the Anglo-Japanese alliance in an effort to show that both contained a meaning broader than their

BENEFIT TEA GIVEN AT WINCHESTER HOME

First of a Series of Park Benefits Given Friday at Home of Mr. and Mrs. Henry Higgins—Other Winchester News.

Winchester, March 17.—The residents of South Main street gave a delightful tea at the home of Mr. and Mrs. Henry Higgins Friday afternoon and evening. This was the first of a series of benefits to be given for Monmouth Park, and was a success in every way. The hours were from 3 to 5 o'clock and from 7 to 10. The dining room was profusely decorated in St. Patrick's green and cut flowers and potted plants were used with charming effect throughout the home.

The color scheme carried out in the refreshments was also in keeping with St. Patrick's day, pineapple ice, cake, coffee and mints being served. Shamrock favors were presented each guest. The donations amounted to \$50, and as indicated this substantial sum will be added to the park treasury.

DEATHS

Stead.

Mary Louisa Hamilton Stead was born in Webster county, Missouri, October 22, 1853 and died March 12, 1922, at the age of 68 years, 4 months and 20 days.

At the age of seven she moved with her parents to Macoupin county, Illinois. She joined the M. E. church at New Hope, July 24, 1870. May 5, 1881 she was united in marriage to James D. Stead. Three children were born from this union, Harry Owen and Vernon Gordon of Girard, and Ella Irene Counter of Hornsby, Ill.

She lived a beautiful life and was ever mindful of the comforts of others. Her sickness was of such nature that it was necessary to move her to a Springfield hospital where she remained until death. She bore her sickness with great patience.

DAVID PRINCE TOSSERS CLEAN UP FRIDAY NIGHT

Regulars Defeat Troop 4 and
Midgits Defeated Parochial
School Team—Lots of Action
and Excitement.

David Prince basketball fives won two games in David Prince gymnasium Friday night. The regulars defeated Troop 4 by a score of 22 to 7. It was an easy romp for David Prince.

The David Prince team excelled its opponents in floor work and shooting and passing. Patterson played a fine game at center. Pires was the high point man with 14. Wright passed well. Hoover and Olds scored Troop Four's points.

In the other game the David Prince Midgits defeated the Parochial school five by a score of 16 to 10. This game was a battle all the way and anybody's game until the final whistle. The Midgits lost to the Parochial tossers a few nights ago at Liberty hall and scored the count last night. Wall scored 14 of the 15 points made by the Midgits, Roland getting the other two. Mandeville, Clancy, Norris and March scored ers losers' points. The scores:

JOHN P. MEANY IS HONORED BY EMPLOYEES

Manager of Swift & Co. Produce Department Soon to Leave for Lima, Ohio, is Given Watch and Chain Friday Morning.

Heads of departments and employees of the produce department of the local Swift & Co. plant yesterday presented a gold watch, chain and fob to John P. Meany; who has for some time been superintendent of the produce section. Mr. Meany has been transferred to Lima, Ohio, and will leave soon for his new field of labor.

The presentation speech was made by H. M. Casey, police desk sergeant, a former employee of the Swift & Co. plant. Mr. Meany was taken altogether by surprise and was visibly affected by this token of the esteem of his fellow workers. He expressed his thanks for the gift and his regret that he is to sever his connection with the local plant.

The promotion to Lima comes as a promotion, for the plant there is an extensive one and Mr. Meany's duties and responsibilities there will be large, with a corresponding increase in remuneration. It was five years ago that Meany became a bookkeeper at the local plant. He was later made assistant manager of the produce department and in time became the manager of this section of the company's local business.

The position made vacant by Mr. Meany's transfer is to be filled by H. M. Green of Mt. Vernon, Illinois. Mr. Green has been in charge of the company's creamery there for a number of years past.

Mr. Casey in presenting the gift to Mr. Meany said:

"I feel honored by being called upon to appear before you on this occasion. I think two or three times before I have occupied this position. As you know your manager, Mr. Meany who has served you faithfully the past two and one-half years is about to be transferred to another institution of the same kind. We are here to express our regrets that it becomes necessary for this move to take place, and are here also to show our thanks and appreciation for the splendid work and co-operation which he has rendered during the time he has been manager of this institution. It is certainly worthy of note that you as a body have assembled here to show your appreciation in business of all lines and we are all working toward the same goal namely—success."

"Now ladies and gentlemen, I have the honor to present to Mr. Meany a token of the high esteem and appreciation of this organization. I also have another token here from the heads of the departments who hope this will serve as a remembrance of the splendid co-operation."

"I thank you for this honor and hope I may appear before you at some future date."

J. S. MAGILL EIGHTY EIGHT YEARS OLD

Veteran Express Company Employee Observed Birthday at L. O. O. F. Home.

The eightieth birthday of John S. Magill, for so long an employee of the U. S. Express Co., was observed at the L. O. O. F. Home in Mattoon recently. The veteran expressman received a number of gifts and congratulatory messages. His step-son Charles Elliott, has just received a copy of the Express Messenger published in New York City, which presents a picture of Mr. Magill and an account of his long and faithful period of service for the company.

Some paragraphs are given: "The career of John S. Magill, veteran of the United States Express company and now retired, is an enviable record of faithful service. This career began in 1860, at Iowa City, Iowa, at a salary of \$25 a month.

"For the first two years his duties were varied. On two days of each week he was a helper on a four-horse stage running to Cedar Rapids.

"He then became messenger on the Rock Island between Davenport and Malcom, Iowa, the end of the road. Here all passengers and express were transferred to stages running to Des Moines, Council Bluffs, and Fort Keary. After transferring the express destined to Council Bluffs and Fort Kearney, he continued on the run to Des Moines by stage, which was then as far west as the United States Express company operated. He made one round trip a week at a salary of \$40 a month.

"He was later transferred to Chicago and for several years served as messenger on different roads out of that city. For two years he alternated on a run between Chicago and St. Louis with two other messengers, Joel Sheppard, who later became general manager for the United States Express company, and G. A. DeLong, who later became general superintendent.

"Having received an injury as result of a bad wreck while on this run, Superintendent Sheppard, his former associate, arranged for his transfer to Jacksonville, Illinois, agency in 1871.

JAMES G. ALEXANDER
IS GIVEN PROMOTION.

James G. Alexander, son of Mr. and Mrs. W. L. Alexander of this city, has recently been made vice-president in charge of the bond department of the Central Trust Co. of Illinois. Mr. Alexander has been with the Central Trust Co. for the past nine years, taking up banking at the completion of his high school course here. His many local friends are glad to know of his continued advancement.

Mr. Alexander's rise from the position of bond salesman has been rapid. He has been given one advancement after another in each case proving himself entirely worthy of the confidence reposed in him, and fully capable of meeting the increasing responsibilities.

The Central Trust Co. is one of the foremost financial institutions in Chicago. Gen. Charles G. Dawes now head of the budget department of the U. S., was active in the management of Central Trust affairs until he resigned to take up his present duties.

SHILOH AID SOCIETY MEETS.
The Shiloh Ladies' Aid Society met Thursday afternoon with Mrs. Fannie Servoss and Mrs. Marie Servoss at their home northeast of the city.

The meeting opened by singing "Pass Me Not," followed by scripture reading, Psalms 9. Mrs. Marie Servoss prayer, by Mrs. Ollie Black. Eleven members responded to roll call by naming a variety of garden seed.

A short business session followed at which time Miss Ethel E. Gaines was elected corresponding secretary. A letter of thanks from Mrs. Mary Beavers for flowers sent her during her recent illness was read. Two new members, Mrs. Carrie Moody and Mrs. Irene Moody were reported. A paper was read by Miss Mabel Phillips and also one by Miss Eva Lee Hull. Collection amounted to \$2.40. The meeting closed by singing "Blessed Assurance" followed by the scriptural benediction.

During the social following the hostess served delightful refreshments. The next meeting will be held April 20, with Mrs. Edith Long.

MURRAYVILLE AID GIVES ANNUAL SUPPER

Members of Ladies' Aid of M. E. Church Celebrate Twenty-Sixth Anniversary of Founding With Supper and Program.

The members of the Ladies' Aid of the Murrayville M. E. church together with their families enjoyed a supper and program at the church Friday evening. The occasion was in honor of the 26th anniversary of the founding of the organization, and there were present at least 200 persons.

It is a custom of the society to observe the anniversary each year, and this year's celebration was one of the best yet. The program was arranged by a committee of which Mrs. Lora Angelo was chairman, assisted by Mrs. Maude Rimbey and Mrs. Edith Miller.

The members all had a part in arranging the supper and their work was exceedingly well done. The menu included baked chicken, giblet gravy, mashed potatoes, dressing, cabbage salad, black and white cake, ice cream and coffee. The dining room was very effectively decorated in green and white, in keeping with St. Patrick's day, cut flowers being used to special advantage upon the tables.

The program included the following numbers:

Song, "America" audience.
Prayer, Mrs. L. T. Henninger.
Reading, Eloise Cade.
Solo, Irma Pennell.

Toast, "Woman's Relation to the Home," C. T. Daniel.

Toast, "The Worth of Woman," Rev. L. T. Henninger.

Solo, LaVerna Barclay.

Reading, Frances Hilden.

Song, Rimbey Family.

Paper, Mrs. Susan Carlson.

Solo, Mrs. Ruth Fuller.

Toast, "Woman's Relation to the Church," Warren Wright.

Toast, "Woman's Relation to the Community," J. H. Dial.

Song, Men's Quartet.

Dialogue, "Mother's Aid Society," Seven Women.

Paper, Mrs. A. H. Kennedy.

The Ladies' Aid society of the Murrayville M. E. church was organized on March 19, 1896, with a charter membership of eleven.

The membership roll now shows eighty-five names and the society is one of the most active in the county.

ALWAYS TIRED NO AMBITION

Nervous and Dizzy, Everything Seemed to Worry Me. How I Got Well

Larwill, Indiana.—"My back was so bad I could not do my washing. I was always tired out and had no ambition, was nervous and dizzy and everything seemed to worry me and I had awful pains in my right side. I felt badly about four years and could not do my work as it should have been done. I saw Lydia E. Pinkham's Vegetable Compound advertised so much and it did so many people good that I began to take it myself. I am feeling fine now and every one tells me they never saw me looking so well. I live on a farm, do all my work, and have three little girls to take care of. I am recommending this medicine to my friends and know it will help them if they use it like I do."—Mrs. HERBERT LONG, R. R. 3, Box 7, Larwill, Indiana.

Many women keep about their work when it is a great effort. They are always tired out and have no ambition. When you are in this condition give it prompt attention. Take Lydia E. Pinkham's Vegetable Compound for it is especially adapted to correct such troubles.

Invisible Color

Here Is Real Magic for You

Every Sunday

The Invisible Color Book will be a regular part of the Sunday Globe-Democrat, beginning March 26.

Everything in it is brand-new—including several invisible ink pages and other features for children: cut-outs, drawing lessons, stories. (The Invisible Color Book is published IN ADDITION to the regular Sunday features for children. You will still get the 8-page Comic Section, and the Crayon Lessons, and the Happyland Page, and the Kiddie Club Cut-Outs.)

Every child will insist on having the Invisible Color Book week after week. . . This is going to be one of the most popular newspaper features ever introduced.

And it is just an addition to the Sunday Globe-Democrat—the biggest 5-cent purchase you can make.

The demand for the Sunday Globe-Democrat is going to be greater than ever. . . Be sure to place your order now for the Sunday Globe-Democrat of March 26.

See the first issue of the Invisible Color Book. . . Then you'll not be willing to miss a single issue.

Something brand-new . . . A novel invention which works exactly like magic. The Invisible Color Book is the NEW Special Section of the Sunday Globe-Democrat. Every other page is printed in "Invisible Ink." Looks just like a page printed in black. . . But get a glass of water and a small paintbrush, or a ball of cotton. Wet the brush or cotton and apply to the invisible color page. See What Happens!

The water brings out the invisible colors. . . The flowers become red and yellow. The trees and grass turn green. The little girl's dress changes to blue.

It happens right before your eyes. . . as if by magic.

It's hard to believe, isn't it? . . . You have never seen anything like it before.

Really, this Invisible Color Book is one of the most fascinating novelties ever introduced.

Even grown-ups will enjoy it. It entertains, it instructs.

Think of watching those invisible colors as they appear under your brush! And they are permanent. When the picture is finished, it is ready to paste in your scrap book or hang on the wall.

Hupmobile Owners are Loyal

The conspicuous absence of the Hupmobile from the used-car advertising columns simply means that when the Hupmobile owner has occasion to re-purchase, he usually buys another Hupmobile.

Hupmobile owners give sound and ample reason for this pronounced loyalty.

They will tell you the Hupmobile's depreciation is slower and smaller; that its price as a used car is proportionately higher.

The qualities which win their highest regard, however, are the everlasting regularity of performance and service, the consistent economy and efficiency, which have always stamped the Hupmobile an extraordinary motor car value.

Social Events

Entertain Westminster Brotherhood.

The members of the Brotherhood of Westminster church were entertained at dinner last evening by Mr. and Mrs. Walter Rahjohns and Mr. and Mrs. Mrs. Henry Kamm. The dinner was given at the church at six o'clock and covers were laid for thirty guests. Green candles, pretty green and white, place cards, ferns and flowers made attractive table decorations in keeping with St. Patrick's day. After the dinner, Mr. Russell, recently of Florence, Alabama, gave a lecture on "Muscle Shoals, the Greatest Engineering Feat of Today." Mr. Russell was well qualified to speak on this question of vital interest to all Americans and his talk proved very interesting to his hearers.

Children's Party Last Night At Colonial Inn.

One of the prettiest and most charming events of the season was the children's party given last evening at the Colonial Inn by William and Jack Vickery, the sons of Mr. and Mrs. John Vickery. The party was a St. Patrick's day dance given in honor of little Miss Helen Vickery of Chicago, the daughter of Captain and Mrs. Earl Vickery. The hours were from eight until twelve and about one hundred little guests enjoyed the hospitality of the Inn during the evening. The younger children enjoyed dancing during the first part of the evening and the older guests stayed until later.

A program of dance music was furnished by the Darley-Brown Serenaders. The house was very attractively decorated in green and white and the delicious supper served during the evening carried out the St. Patrick's day colors also. Frappe was served in the hall and every detail of the party was such as to make it a

most delightful affair. There were four favor dances in which the girls received green carnations and little green caps and the boys were given tiny clay pipes with shamrocks and green balloons.

Mr. and Mrs. E. C. Vickery assisted in entertaining and a number of guests had been invited in for the evening to assist with the party.

Gives Luncheon.

Miss Dorothy Cully gave her Domestic Science luncheon yesterday at the High school in the dining room of the Home Economics department. This was one of the series of luncheons which the students in the department are giving. The affair was a St. Patrick's day luncheon and the table was prettily arranged with white carnations, ferns and attractive place cards. The guest list included Principal B. F. Shafer, Miss Newman of the Domestic Science department, Ruth Staff, Fredericka Funk and Mary Olroyd. The following dainty menu was served, Orange cocktail, sliced tongue, mashed potatoes with peas in nest, pickles, rolls, butter, pineapple salad and wafers, jello with whipped cream and cookies.

St. Patrick Party.

The Senior Society of the B. Y. P. U. gave a most enjoyable and successful St. Patrick's day social last evening in the social rooms of the Baptist church. The church was decorated for the occasion in green and white streamers and all kinds of Irish favors. About seventy-five young people were present and the evening hours passed gayly with games, contests and music. Among the special features planned for the evening was a Radiophone Concert in which a group of selections were given by noted stars from Old Ireland. The Irish songs and the many games appropriate to the occasion made the party a very delightful one. The delicious refreshments also carried out the note of the season. Arthur Howells was the chairman of the committee in charge of the party and he was assisted by Clarence Wilson, Gale Jackson, Miss Lilian Swift, who had arranged the games and Miss Margaret Todd, who had charge of the refreshments.

Gamma Delta Gives "Backward Party."

A "Backward Party" was the unique affair given last evening by members of Gamma Delta society in honor of the Agora Society of Illinois College. The party was given in the Gamma Delta rooms at Beecher Hall and was planned so that every feature of the evening was backward. The guests came with their dresses on backwards, their hair arranged backwards and upon arriving at the hall they found the furniture all turned backwards. The games were played in Chinese fashion and everything carried out the idea of "hind side before."

Waist Line Social at Masonic Temple.

The members of the White Shrine of Jerusalem gave a very successful and unique party last evening at the Masonic Temple on West State street. All the members of the Eastern Star were invited and the guests numbered about seventy. The guests all went to the social dressed in comic costume and for every inch of one's waist line a penny was collected, the money being added to the fund for the purchase of robes for the Malta Shrine.

During the evening a musical program was given. A piano duet was given by Aileen Rahjohns and Elnore Stoldt, a vocal solo by Miss Fern Haight, a piano number by Marjorie Ktner and a group of songs by Miss Nellie Self. Games and contests filled the hours and every one had a royal good time. Excellent refreshments were served during the evening. The committee in charge of the affair consisted of Mrs. Alex Rahjohns, Mrs. L. E. Staff and Homer Rowland.

Dinner for Sigma Phi Epsilon.

Mrs. W. T. Wilson was the hostess at a delightful dinner party given last evening for the members of Sigma Phi Epsilon society of Illinois College. The affair was a six o'clock dinner given at the Wilson home on West State street. Covers were laid for twenty guests and a delicious menu was served. Attractive table decorations of flowers, St. Patrick's day favors and green and white place cards were used with charming effect. The evening hours were spent informally with music and games. Mrs. Wilson is an honorary member of the society.

South Side Circle Met.

The South Side Circle met yesterday afternoon at the home of Mrs. J. J. Reeve in the Cherry Apartments. The program was in charge of Mrs. Alex Platt, who gave an excellent paper on "Interesting Young of North and South

Delicious refreshments were served during the evening and the party was a great success. The committee in charge of the arrangements included Miss Alice Bray, chairman; Miss Lillian Kuapp, Miss Grace Danforth and Miss Catherine Parker, the president of Gamma Delta.

Entertains Friday Social.

Miss Elizabeth Stevenson was the hostess to the members of the Friday Social Circle yesterday afternoon at her home on West North street. A number of guests had been invited and the hours were enjoyably spent in an informal social way. The hostess served an attractive luncheon at the close of the afternoon.

Entertain Friends.

Lee and Walter Gruber entertained the members of the Luther Walthers Circle last evening at the home of their parents, Mr. and Mrs. Lee Gruber on West Lafayette avenue. This was the regular monthly meeting of the circle and the evening was pleasantly spent with games and music. There were about twenty guests present. During the evening an attractive supper was served.

Given Surprise Party.

Mr. and Mrs. Harry Taylor were pleasantly surprised at their home on Goltra avenue Thursday evening when a number of their friends came in to spend the evening. The evening was gayly spent with music and dancing and delicious refreshments were served. There were about thirty-five guests present and the party was planned by friends and relatives of Mr. and Mrs. Taylor.

Hostess at Luncheon.

Mrs. C. E. Williamson entertained the members of her Sewing club Friday noon at a one o'clock luncheon given at her home on West College avenue. After the serving of a delicious menu a "grab bag," an annual event in the club, was held occasioning much merriment. The afternoon hours were enjoyably spent in sewing.

Professional Women Banquet At Congregational Church.

The Young Women's club of Jacksonville enjoyed a banquet last evening at the Pilgrim Memorial of the Congregational church. The affair was given in honor of Miss Grace Armstrong of Springfield, the recording secretary of the State Association of Professional and Business Women's clubs. The banquet was served at six thirty o'clock by the members of the Young Women's guild of the church. Dinner covers were laid for twenty-five guests and a delicious menu was served. Dainty green and white place cards and pretty table decorations of shamrocks and ferns gave an attractive effect in keeping with St. Patrick's day.

Miss Isabel Smith of the Illinois College faculty acted as toastmistress and after dinner introduced Miss Armstrong, who spoke on the work of the state organization and discussed with the local members the plan of affiliating the Jacksonville club with the Illinois association. The no definite action was taken it is probable that the local club will be a part of the state organization and that the hope of the Jacksonville club will be greatly enlarged. The action will probably be taken in the near future as it is hoped that Jacksonville may send a delegate to the State Convention of Business and Professional Women's clubs, to be held in Springfield in April.

Miss Lucy Mount who is the chairman of the committee on constitution and by-laws gave a report and a constitution was presented which can be used either for the local club or for the organization if affiliated with the state association. The committee in charge of arrangements for last evening's successful affair included Miss Ida Maddox, Miss Florence Madden and Mrs. Nathalie Scriber.

Waist Line Social at Masonic Temple.

The members of the White Shrine of Jerusalem gave a very successful and unique party last evening at the Masonic Temple on West State street. All the members of the Eastern Star were invited and the guests numbered about seventy. The guests all went to the social dressed in comic costume and for every inch of one's waist line a penny was collected, the money being added to the fund for the purchase of robes for the Malta Shrine.

Attractive table decorations of flowers, St. Patrick's day favors and green and white place cards were used with charming effect. The evening hours were spent informally with music and games. Mrs. Wilson is an honorary member of the society.

South Side Circle Met.

The South Side Circle met yesterday afternoon at the home of Mrs. J. J. Reeve in the Cherry Apartments. The program was in charge of Mrs. Alex Platt, who gave an excellent paper on "Interesting Young of North and South

America." The members answered roll call with limericks suggestive of the day dear to the hearts of the Wearers of the Green. A number of guests had been invited by the hostess. After the program a dainty luncheon was served.

St. Patrick's Day Party At Rogers Home.

Miss Mabel Rogers was the hostess at a charming St. Patrick's day party given last evening at the home of her parents, Mr. and Mrs. Walter Rogers on West College avenue. Ten couples were invited and the young people had a gay evening with games and music. Pretty house decorations in green and white and attractive refreshments of shamrock ice cream and candies added the St. Patrick's day touch to the affair.

Entertains Sunday School Class.

Miss Gladys Rayle entertained the members of her Sunday school class of Central Christian church, last evening at her home on West North street. This was the regular monthly business and social meeting and there were about fifteen members present. A short business session was held and the rest of the evening was given over to a pleasant social time with games, and contests appropriate to St. Patrick's day. The delicious refreshments were also in keeping with the birthday of the popular patron Saint of Ireland. Mrs. James Finch is the teacher of this class of young ladies.

HIBERNATING DAYS ARE OVER

Yes, Hibernating Days are over and the Bears, Bees, Birds, Blossoms and Buyers of Automobiles have come out of their several places of repose, along with better prices of all farm products and "Old Daddy Dollar" is now seeking a new location, offering to accept a lower rate of interest and taking it all in all, we are glad we are alive and glad to get out of the old hole that we have been in for some time, and now as the days grow brighter come sing this song with me: Hibernating days are over, and happy we should be; we are going to buy an Auto and a Franklin it will be, for the Franklin has no water to bother with and freeze your radiator and make your motor crack and sneeze. It will run in the coldest weather, the hot, the wet and dry; it is made of the best material that good old money will buy; and when it comes to the price, it is neither Low or High.

The Franklin has no equal in the number of miles covered on a set of tires. In many cases 24 to 30 thousand miles will have been recorded on a single set of tires; 26 to 46 miles on a gallon of gasoline is the experience of many motorists. Wood Frame and Full Elliptical Springs guarantee easier riding qualities than any other car. The Franklin is the only Air Cooled Car on the market, equipped with Full Elliptical Springs, Wood Frame, Aluminum Body, etc.

Think of it! No water to bother in winter or summer. The easiest car to operate you ever saw; making it the ideal car for ladies to drive.

I am not busy. Let me give you a demonstration. It does not matter where you want to go or how far The Franklin will take you there and bring you back Easier, Cheaper, Quicker and Safer than any car on the market today.

My Phone Number is 1764 and all you have to do is to call me up or come in and let me prove just what I say.

Batteries Wear Out for Two Good Reasons

Every battery has two kinds of wear—the natural slow wear due to use, and the more rapid wear that comes from abuse.

Keep the proper amount of water in your battery by putting in a little every two weeks. Test with the hydrometer to make sure there's enough charge. Come in to Battery Headquarters at the first faint sign of trouble.

Then your battery will wear out slowly and gradually, giving you all the months and miles of uninterrupted service there are in it.

Stop—Have your battery tested—We'll give you best advice.

WHEAT, CORN AND OATS SHOW GAINS

By Associated Press.
CHICAGO, March 17.—Indications of liberal export business together with gossip about smallness of European stocks of breadstuffs did a great deal today to lift values in the wheat market here. The close was unsettled 2 to 2 1/2c net higher, with May \$1.38 1/2 to \$1.39 1/2 and July \$1.19 1/2 to \$1.20 1/2. Corn gained 1 1/2 to 1 1/4c and oats 1/2 to 1c. In provisions the finish was unchanged to 2 1/2c higher.

Advances in the wheat market were especially rapid in the last part of the day as a result of reports that foreign purchasing included considerable amounts of new crop wheat for Germany. Besides much attention was given to statements from a leading member of the board of trade who has just returned from an extended European trip and who expressed decidedly bullish views.

Gossip current as to the United States farmers pooling their wheat appeared also to be a factor in connection with the upward swing of the market.

Confirmation of figures showing that total holdings of wheat in this country are materially below normal tended further to encourage speculative buying of wheat and to lift values. Official announcement today of country mill and elevator stocks being substantially the same as private estimates at Liverpool were likewise influential, and in particular at the opening tended to send prices here upward.

Corn and oats reflected the action of wheat. In addition receipts of corn were small and fair export buying of corn was said to have taken place at the seaboard. Provisions were weak early with hogs values, but commission house buying later more than offset the declines.

HEAVY TRADING ON THE STOCK EXCHANGE

By Associated Press.
NEW YORK, March 17.—For the third consecutive session trading on the stock exchange today ran well beyond the million share mark, dealings encompassing again an unusual variety of issues.

The money market was the primary factor. The exchange call loans fell from 3 1/2 to 3 per cent in the first hour and the private offerings such accommodations were obtainable at 2 1/2 per cent.

Among the more prominent issues in today's active operations were numerous low priced shares of the railway, industrial and unclassified groups. The trend for the most part was decidedly upward, but profit-taking reduced some of the more substantial gains at the end. Representative stocks in the railway division again were declined. Lack, but Union Pacific was bought in round amounts toward the close.

Outstanding features embraced United States Steel and the independent steels as well as Chandler Motor, Anaconda Copper and Central Leather. Sales amounted to 1,225,000 shares. Foreign exchanges, especially the British rate continued the impressive recovery from last week's reaction.

Demand sterling rose to 437 1/2, allied rates were eight to almost 20 points higher.

Almost all Liberty and Victory bonds closed at gains. Total sales (par value) aggregated \$17,041,000.

BRADSTREET'S REPORT WILL SAY

By Associated Press.
NEW YORK, March 17.—Bradstreet's tomorrow will say: "A further slight gain in spring trading, especially in west coast states, but rather more pronounced quiet in textiles in primary lines, more life in some basic industries, particularly in the building iron and steel and coke trades, with increased firmness in crude and manufactured metals, more stirring also in retail trade with millinery specialties well circumscribed, a virtually distinct crop improvement in the winter fields from Oklahoma north to Iowa and gains in employment in iron and steel and automobile centers are some things sailing for note in this week's developments."

"Best reports still come from the surplus grain growing regions most being made of country buying both at wholesale and retail being better where higher prices and large grain and cattle movement have given proof that there were two sides to the markets for farm products. Dry goods, shoes, clothing and millinery have sold better from jobbers east and west.

"Reports from most southern points indicate that new buying lags and from New England mill points continue to report cotton mill strikes affecting sentiment." Weekly bank clearings \$6,936, 104,000.

CASH GRAIN REPORT

By Associated Press.
CHICAGO, March 17.—Wheat in the cash market here was higher today with the futures. Milling grades were in good demand. The trading basis was unchanged except No. 1 and No. 2 hard which were unchanged to 1c better. Shipping sales here were 9,000. The seaboard reported 500,000 bushels taken for Europe and more being worked.

Corn was in good demand and the market finished 1/2 to 3/4c higher with the trading basis unchanged to 1c better. Shipping sales were 30,000 bushels all domestic. The seaboard advised of 150,000 bushels worked for export.

Oats closed 1/2c better with the trading basis firm. Domestic shipping sales were 45,000 bushels. The seaboard reported 300,000 bushels worked.

Car lot receipts: Wheat, 15; Corn, 78; Oats, 61.

MORGAN COUNTY SCHOOL FACTS ARE MADE PUBLIC

Dr. J. G. Ames Tells Rotarians Some Results of County Survey—Club Prepares for Annual Meeting.

At the noonday luncheon of the Rotary Club Friday at the Pacific hotel Dr. J. G. Ames presented a very interesting study of rural schools in Morgan county. A good deal of business came before the club in preparation for both the annual local meeting and district convention which is to be held in Decatur March 21 and 22.

A special committee of which Earl Spink is chairman reported that at least 50 Rotarians will make the trip to Springfield for the state meeting. The Jacksonville men are expecting to travel to Decatur and back in a Pullman and the car will be available for their use while in the convention city.

Rev. M. L. Pontius is the club's candidate for district governor and his interests are being enthusiastically pushed. It is possible that subsequent to this convention that Illinois may be divided into two districts, the northern and southern. As it is now, with fifty-five clubs in the district, there is more work than the district governor can readily give attention.

Directors Nominated. At the session yesterday directors were placed in nomination and voted upon at the election which will be held one month hence. Under the Rotary plan of organization nine members are elected directors and from this number the directors choose their officers. However, a provision of the constitution makes it possible to select a secretary and treasurer not members of the district.

Dr. Ames in presenting the summary of a careful study of the situation, made it plain that any statements he made with reference to the schools of the county should not be construed as criticism. His purpose evidently was to show about the conditions of the schools with more special reference to physical facts.

Some of the statements made, based upon the survey, indicated that Morgan county does not occupy a high place in the averages on account of the condition of its schools. The speaker said that statistics proved that out of every 100 pupils who enter the public schools that only 15 get thru the high school, and that fewer than three finish college. The fact was shown to lay emphasis upon the thought that the education which can reach the entire nation and which demands the first attention of American business men, is the education offered by the elementary schools, which cover the first eight years of the child's training.

Aided By Superintendent. A survey was made particularly with reference to the one room schools of Morgan county, and the speaker expressed his obligation to Supt. Vasconcellos for many of the facts obtained. Dr. Ames said that he wished to avoid statistics as much as possible but wanted to give some figures for comparison. In the rural schools of the county \$24 is the average expenditure per capita while in the city schools the average is \$40 per capita.

The average school term in the city is 184 days while in the rural schools 137 is the average. Health records also show to considerable advantage in the city school children by comparison with those from rural districts.

Turning to the question of preparation of teachers, Dr. Ames said that here in Morgan county 3 per cent of the teachers never attended high school or normal schools. Thirty per cent of them have attended high school but they did not complete the course. Sixty-seven per cent are graduates of colleges, 4 per cent have some normal and some high school training, and 8 per cent have college training. This means that the children in about one-third of the one room school houses are being prepared for high school by teachers who themselves have not received a high school education.

The average tenure of position in the same school is one year. Fifty-seven out of ninety-five teachers in the rural schools have taught only one-half year in their present schools. The country school thus seems to be the practice ground for the untried teacher.

dated schools are excellent and may eventually solve the rural school problem, but for the present they are not within the range of Morgan county because of excessive cost. Transportation is an essential feature and the consolidated school system cannot work satisfactorily without a complete system of hard roads.

In conclusion Dr. Ames held up as a goal the time when every district has its "Superior" One Room School, or at least every one room school in the county is entitled to the word "Standard." He urged a program which will aid in stilling into communities pride which will result in putting the school properties into condition whereby they will accomplish in a creditable way the work which they are designed to perform.

The third payment (with 5% interest) on the Governor Joseph Duncan Memorial Tablets is now past due. Your prompt attention will be appreciated, as the memorial room will be completed in the near future.

MEMORIAL SERVICES FOR DR. P. G. GILLET

Will be Held on Anniversary of Educator's Birth, March 24.—Program Has Been Prepared.

Memorial services for the late Dr. Phillip Goode Gillett have been planned to take place on the anniversary of his birth, March 24.

Dr. Gillett was superintendent of the Illinois School for the Deaf for a period of thirty-seven years. During his administration he advocated and inaugurated many plans for the advancement of learning for the deaf. When Dr. Gillett took charge of the Illinois institution the school was in its infancy and the teaching of the deaf was crude compared with the way knowledge is now imparted. He was the first to advocate women teachers and was active in the founding of the State Board of Charities in this state. He was one of the most prominent citizens of Jacksonville and an acknowledged educator of more than state reputation.

In view of his services to the School for the Deaf, to the state of Illinois, and the city of Jacksonville it is very befitting that memorial exercises are planned on the anniversary of his birth and that these services are to be held at the School for the Deaf where he so ably rendered the most valuable service of his life.

Col. O. C. Smith, present superintendent of the school, has planned for the occasion several speakers of note who will be present. Among them is Hon. George W. Harper of Robinson, Illinois, who attended the same school with Dr. Gillett more than 70 years ago at Greencastle, Ind. Also Dr. John W. Swiler of the Wisconsin School for the Deaf who was at one time teacher at the Illinois school.

Dr. Gillett was born at Madison, Indiana, March 24, 1833, and took charge of the Illinois school in 1856, serving continuously for 37 years.

The memorial anniversary services will be as follows:

Invocation—Mr. George. Presentation of Dr. Gillett's Portrait—Mr. Putnam. Address of Acceptance—Col. O. C. Smith.

Address—Hon. Geo. W. Harper. Remarks: Sidlights of a Teacher—Miss S. F. Wood; Sidlights of a Pupil—H. A. Molohon. Address—Dr. John W. Swiler. "Illinois"—Eleanor Chambers. Frances Homrighaus and Christine Hartel.

CATTLE THIEVES AT WORK IN COUNTY

Stole Twenty Two Head of Cattle From John Laurie—Try to Sell Them to Packing Company.

Thieves stole 22 head of cattle from the farm of John Laurie near Savage Station some time Thursday night or Friday morning.

The cattle were driven to Jacksonville where 14 were placed in the Wabash stockyards in the east part of the city. Eight of the cattle were lost by the thieves along the way.

Friday morning some one called on the Jacksonville Packing company office and said he had some cattle at the Wabash yards for sale. The party made arrangements to meet the Packing company representatives at the yards but never arrived there.

A watch was kept all day on the stock in the yards but no one called or attempted to sell it. The police traced the place where the telephone call to the Packing company was made but were unable to find who did the talking.

DEBATE Sigma Pi vs. Phi Alpha, Monday, March 20, 8 P. M., Illinois college chapel.

UNDER PEACE BOND Fremont Carson was arraigned before Justice Bayha yesterday. The charge was assault with deadly weapon the complainant being Mrs. Carson whom Carson attacked with a knife at the southwest corner of the square Thursday night. Carson again attempted to attack his wife in the justice court Friday morning and it required two officers and the court to overpower him. The charged was then changed and Mrs. Carson swore out a peace warrant and Carson was put under bond in the sum of \$300 to keep the peace for six months.

Members of Baptist Church Spent Thursday Evening at Home of George Matthews—Other Manchester News Notes.

Manchester, March 17. — The members of the Baptist church held a dollar social Thursday evening at the home of George Matthews. There were about thirty-five present and the occasion proved a very interesting one. Each member had been required to earn a dollar and then in rhyme tell how the money was made. The result was some very original and amusing verses, and quite a goodly sum was added to the treasury as a result of the evening. Games and the serving of light refreshments made the occasion the more pleasant.

The Ladies' Aid of the Christian church held an all day meeting Friday at the home of Mrs. Charles Dean. There were twelve ladies present and they spent the day very profitably in quilting and sewing. They brought baskets of eatables with them and at noon time dinner was served, 20 extra dinners being sold netting a neat sum for the treasury.

Dr. E. M. Whitehouse spent Friday here in the interest of the International Chautauqua company.

Opal Rimbey who has been ill with pneumonia at her home here, is slightly improved.

Among Manchester people who are now reported ill are Mrs. Margaret Wyatt, Mrs. Emily Hayes and Mrs. Cochran. The latter was in a serious condition Friday.

Miss Angie Billings is visiting relatives in White Hall.

COMEDY PRESENTED AT HALL IN FRANKLIN. The young people of Sacred Heart Parish at Franklin presented a four act comedy, "That Boy of Barker's" Friday night. Marquette hall, where the play was staged, was filled with a large and enthusiastic audience, and at the close of the performance it was the unanimous verdict of all that it was one of the best home talent productions witnessed in Franklin in recent years. The program included a number of musical selections which added materially to the pleasure of the evening.
